PANDA RESTAURANT GROUP DONATES BICYCLES TO DESERVING LOS ANGELES COUNTY CHILDREN

Panda Restaurant Group's Philanthropic Commitment Surpasses \$1 Million in 2005

WHAT: Panda Restaurant Group, parent company of Panda Express and the nation's leader in Asian quick-serve restaurants, will award bicycles and helmets to 39 commendable Los Angeles County students from kindergarten through eighth grade at the Panda Cares Day of Giving event on Oct. 19. Bicycle recipients have been selected from 13 schools in the Garvey School District. This is one of many philanthropic efforts Panda Restaurant Group has supported this year, increasing the company's charitable donations to more than \$1 million in 2005.

"Supporting the children in our community is a core part of our mission to inspire people to better their lives," said Peggy Cherng, PhD, Co-Chair and CEO of Panda Restaurant Group. "Our associates enjoy assisting those in need and knowing they're making a difference."

The children and their families are expected to attend the Panda Cares Day of Giving celebration. The bike donation is co-sponsored by SunRidge Corporation and the helmets are gifts from Bell.

WHEN: Wednesday, Oct. 19, 2005.
The bikes will be given to the students during a special ceremony at 5 p.m., followed by dinner, which will be cooked and served by members of Panda's senior management team and other company volunteers.

WHERE: Panda Restaurant Group's Support Center, at 1683 Walnut Grove Ave. in Rosemead, Calif.
