SHONALISA, 15
CLOACAL EXSTROPHY, SHORT BOWEL SYNDROME, HYPOTHYROIDISM PATIENT

CHARITABLE CARE FOR KIDS LIKE SHONALISA

Twenty-three cents of each dollar given to CMN Hospitals provides charitable care for kids who don't have any or enough insurance, including kids like Shonalisa who has needed several surgeries and a stay in the neonatal ICU at her children's hospital. Medicaid only covers a portion of these treatments and your dollar helps with the rest.

DARIUS, 16
HYPERTROPHIC CARDIOMYOPATHY PATIENT

LIFE-SAVING EQUIPMENT LIKE DARIUS' MRI

Fifteen cents is used to purchase new technology which helps diagnose and treat kids like Darius. Darius was born with a heart defect and regular MRIs help doctors understand the best way to treat his ongoing condition.

NATHAN, 6
MITOCHONDRIAL DISEASE PATIENT

BREAK-THROUGH RESEARCH LIKE NATE'S NEW TREATMENT

Seven cents helps keep the research labs at CMN Hospitals buzzing with scientists and researchers working to find cures for kids like Nate. Living with mitochondrial disease affects daily struggle but with new treatments he stays as active as ever.

CARLY, 8
PROGERIA SYNDROME PATIENT

SPECIALIZED CARE FOR CARLY

Nine cents provides custom care for kids like Carly. Born with progeria, Carly ages 8-10 years each year. Her condition requires specialized care she can only find from the doctors and nurses at her children's hospital.
