

# GREAT FUTURES. EVERY KID. EVERY COMMUNITY.

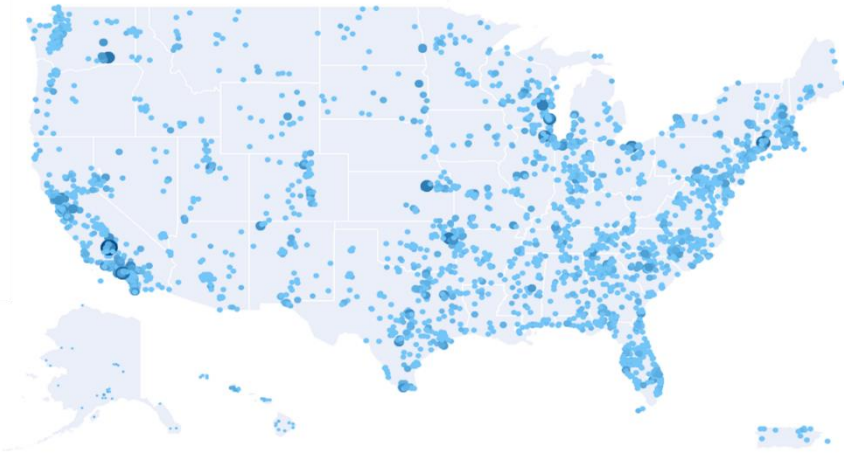

## PANDA CARES FOUNDATION & BGCA | OUR IMPACT

Since 2020, Panda Cares Foundation has committed more than **\$51 million** in support to Boys & Girls Clubs to create opportunities for kids and teens to learn, lead and thrive, with a focus on increasing the quality of academic success programming in Clubs.

Panda Cares has remained essential in supporting the educational outcomes and character development of youth in every community Boys & Girls Clubs serve. In **2023**, Panda Cares renewed their commitment as BGCA's largest single-year corporate partner with a three-year commitment that provided an investment of \$10.9 million for 2023. With this investment, **BGCA was able to deliver high-quality academic programming through Project Learn and Panda Cares Centers of Hope to 254 organizations and 550 Club sites.**

### 550 FUNDED CLUB SITES ACROSS THE NATION, INCLUDING:

**173,275**

Club members participated in academic success programming

**100%**

of Clubs served within a 3-to-5 mile radius of a Panda Express

**43**

Center of Hope grand openings

**53,694**

youth served in an average day at funded Clubs

"PCF have afforded us the opportunity to enhance our Club Programming through Project Learn funds, enhance our Teen experience through our Panda Cares Center of Hope, and allowed us to educate our youth on the beauty of diversity through their Lunar New Year educational resources. The Panda Cares foundation truly embodies the spirit of education and philanthropy."

Boys & Girls Clubs of Rutherford County
